How to post a job to LPGA Golfing Careers:

To post a job, go to <http://lpga.golfingcareers.com/> and navigate to the green, employers tab at the top right of the menu. Then, you will need to create a free account, and from there you will be able to submit a job posting and manage any jobs you have already posted. You may post as many positions as you like on the job board; however, if you would like to re-open a position, you will need to resubmit the job posting as the availability cannot be edited once the job goes live. After you submit your job posting, there will be a brief reviewal period by our Job Board moderators before the post goes live on the website.

If you have any questions or would like any assistance, please contact Katarina Hodge at katarina.hodge@lpga.com.
